the Committee on Land Use, Vice Mayor Bernardino Chichirita welcomed the participants to the Public Hearing.

Mrs. Dory P. Emelo, Mina's Municipal Assessor gave the overview of how the CLUP was revised. She stressed that the Municipality of Mina is one of the four-pilot municipalities in the country for the Revision of CLUP streamlining Disaster Risk Reduction and Climate Change Adaptation under Adopt-a-Municipality Resilient Recovery Planning Project of the ASEAN.

Present during the Public Hearing and acted as panelists were Mrs. Rose Bermejo and Mrs. Rosario Ladrado from

existing CLUP to the revised one. She pointed out some areas affected by the revision.

Mrs. Rose Bermejo added some points for the LGU to consider in the zoning ordinance especially on the areas considered as flood-prone ones as per latest survey of the MGB and as shown in their Geohazard Maps.

There were questions from the stakeholders especially those living in the flood-prone areas and those who are affected by the changes in land classification. However, through the enlightenment made by the panelists, the revised CLUP was recommended for approval by the attendees.

118TH INDEPENDENCE DAY CELEBRATION

In the point of view of an educator...

The Municipality of Mina joins the 118th Philippine Independence Day Celebration with the theme, "Kalayaan 2016: Pagkakaisa, Pag-aambagan at Pagsulong".

This celebration helps us to reminisce the heroic deeds of our forefathers specifically our national heroes in gaining freedom and true independence. June 12, 1898 in Kawit, Cavite marked our Independence Day in our Philippine History. It is a day that must be remembered by every Filipino from the past to present generations. For sure, we can never forget the slavery, abuses, tortures, hardship and sacrifices done by our forefathers under the Spanish regime.

We must always be grateful to our brave and patriotic heroes who passionately fought and died for our country. Without them, maybe we have not gained our independence.

This year's theme reminds us to unite and help each other to attain progress in our humble town, Mina. So, let us cooperate and follow the rules, regulations and ordinances set by our Local Government Unit. Through these, we can truly feel the essence of independence and freedom within ourselves and we can live happily in our family and peacefully in our community.

Let our history teach us a lesson that will help us in our continuous search for peace and freedom.

The Bible says "The fear of the Lord in the beginning of wisdom". So, let's always think that everything happen in our life has a purpose... for God wants us to live peacefully and happily in this Kingdom.

Lastly, I want to share with you the acronym for INDEPENDENCE DAY.

Intelligence our heroes possess as shown in their plans and deeds.

Now hope for a brighter tomorrow.

Desire and passion to fight and die for our country.

Enthusiastic to accomplish the assigned task.

Probity that the Filipinos can do with high deals.

Efficient to fulfill one's duties in nation building.

Nurture the children's futures who are the hope of our nation

Decisive in pursuing plans into actions.

Energetic in doing responsibilities and creating opportunities.

Nationalistic in thoughts, words and deeds.

Courageous in facing challenges in life.

Endless struggle for peace and progress.

Dedicated to work for excellence.

Active and alert in adopting changes and innovations.

Youthful and positive outlook in life.

A balikbayan speaks about the church and his hometown

(by: Dr. Rene P. Grabato, a Minanhons who is a successful Urologist in Pampa, Texas)

Few days ago, as I was flying across the Pacific Ocean, I was suddenly overcome and overwhelmed with mixed emotions as I paused to ponder at that moment to embark on a sentimental journey to the past and reminisce the memorable and significant events of my childhood days especially in this church during our catechism class where I first learned to pray, the Our Father and recited the Holy Rosary - which established the Rock - the Foundation of my Catholic Faith! This church is also meaningful to me, for this is the place where I was baptized 71 years ago.

So this morning, I feel highly honored and privileged but with deep humility to be given this rare opportunity to speak to all of you from this hallowed ground especially in the presence of the highest ecclesiastical and public officials of the Province of Iloilo.

Once again, I am delighted to be back home especially this momentous and historic occasion of our parish - the Consecration and Blessing of our simple but magnificent church. During my last visit three years ago, I was very much impressed by the beautiful transformation of our beloved town of Mina and the Province and City of Iloilo but at the same time I was saddened and dismayed to see the pitiful sight and pathetic condition of our church during the necrological services of my late mother, Lourdes Grabato. Since then, I was awakened by a strong and burning desire and with full determination to help rebuild this church. So, together with Father Losaria and Madam Lydia Grabato, we started to discuss and plan the renovation of the old structure which was first established in 1873. I then hired an Architect from Los Angeles, California who came here in Mina who made the initial design for the first phase - the Main Altar and the pictorial view of the Church which was later revised and amended.

Today, as a natural born citizen of Mina - a Minanhon, it is with justifiable pride that I join all of you in this joyful, glorious and Eucharistic celebration of this beautiful landmark and icon of Mina-Our Catholic Church - which serve

as a testament of our enduring faith to the Almighty God. And for this accomplishment, from the bottom of my heart, I like to thank all of you - Our Donors, here and abroad - for your wholehearted support and generosity - for the completion of this noble project.

My special thanks to Rev. Father Henrietto Losaria - for his vision and commitment to initiate the sacred and major undertaking of our parish. I would like also to extend my deepest appreciation and gratitude to very special and extraordinary person who has painstakingly, unselfishly, passionately and single-handedly carried out the enormous responsibility and implemented the noble mission. Allow me to recognize Ex-Mayor Lydia Grabato - who has spent most of her time and effort during this past year to finish this project - mission accomplished! Let's give her a big, big hand!

At this time, I'd like to graciously thank His Excellency, Archbishop Angel Lagdameo and all the Reverent Fathers for coming here to help celebrate this special and solemn mass. I also would like to thank Sister Marie Janeatte for her extra effort to be with us in spite of being confined to a wheelchair! And to the Choir - thank you for the beautiful sound of music!

Lastly, I'd like to acknowledge the presence of our beloved son and pride of Mina - the honourable Governor of Iloilo - Arthur D. Defensor, Sr. and his lovely wife, Cosette and his family who has devoted most of his life in public service with honor, dignity and distinction. Let me also extend my heartfelt congratulations for your landslide re-election. And also to Congressman Arthur Defensor, Jr. and to our newly elected Board Member - Lorenz Defensor.

May I also congratulate the incoming municipal officials of Mina and as you commence your new term of office, it's my ardent wish for your success in your future endeavours but always remember not to forget to listen to the voice of the people you serve!

To our current Mayor - my Big Brother - Congratulations and Best Wishes! I am very proud of your exemplary and outstanding

achievement and accomplishment in our municipality but I especially admire your strength of character and your passion to serve the people with enthusiasm for the betterment of our society - and let this be - your lasting legacy to our youth and future generations to come.

In closing, my beloved people of Mina - let us all be united and live in peace and harmony as one family of Christ. Let us continue to come to this blessed church of ours and pray together and ask for God's blessing to sustain us, strengthen us, and inspire us to lift-up our spirit and give us the courage and perseverance to overcome the challenges, obstacles and adversities that may face us along the way. May the Lord and Our Lady of the Pillar continue to guide us to see the light of our unshakable faith to shine upon us and nourish the seed of our spiritual and Christian way of life - our values based on love, compassion and ethics, a high sense of honor and moral integrity.

And as for me, I will not waiver in my unyielding commitment to continue to give through my Foundation which I established in the United States for this sole purpose. And wherever I am and wherever I will be - I will never forget MINA - for this is the place where I first breathe the fresh air of life and see the first light of dawn and also the place that inspired me to realize and fulfill my dreams abroad and in return, I solemnly pledge to continue to help and support the future needs of our parish, Nuestra Senora del Pilar!

May God Bless Us All! Madamogid nga salamats sa inyo nga tanan...

On the celebration of the 118th Philippine Independence

Today are celebrating the 118th Philippines Independence, which was declared last June 12, 1898. The theme of these year's celebration is "Pagkakaisa, Pag-aambagan, Pagsulong". Let us take this moment to not only celebrate freedom that we cherish but also to remember the brave men and women who we fought for our Liberty. Among them is our National Hero, Dr. Jose Rizal. He stands for the potential and power of change that lies within each one of us. His life and works stirred a nation to answer the call of transformation, and his martyrdom incited the triumphant struggle for independence. Years had passed and the circumstances maybe different but the challenges remain the same; to never waiver from the straight and righteous path and to work together in consonance with this year's theme to establish stability and peace in the future. Today, we are faced with new

obstacles, the fight against poverty, hunger, the struggle to obtain equitable justice, the campaign for good governance, and most importantly to exhaust all effort to have a drug-free community. We share a vision that the Philippines be free from poverty, hunger and corruption. Our common goal is to struggle for national prosperity and progress.

Going back to our very own level, we should always practice unity and cooperation. We have proven this already in the rehabilitation of our Church. Through our unity and cooperation, in one-year time the multi-million church had been rehabilitated. It can't be denied, that our former Mayor, Madam Lydia E. Grabato had the greatest contribution to this and everyone had the counterpart in making our Church the biggest and most beautiful in the Province of Iloilo.

With this, eventually we can shout into high heaven that the Municipality of Mina be the Paradise of the Province of Iloilo and for sure, it will be a happy and a peaceful to live-in.

14 Couples join the Mass Wedding Ceremony

14 couples join the Mass Wedding Ceremony in line with the annual celebration of the Registration Month every February with the Philippine Statistics Authority (PSA), 14 couples availed of the Mass Wedding Ceremony this year, free of charge, and solemnized by Mayor Rey P. Grabato.

From January to February 4 of each year, the Office of the Municipal Civil Registrar

in coordination with the 22 Punong Barangays disseminated information to those couples who are living together and have children to participate on the free mass wedding every 14th day of February.

This year 2016, there were 14 couples who applied and participated coming from the different barangays. Most of them were living together and have children of two or more and are

members of indigent families of the municipality. This is also one way of making the people realize the importance of marriage and poverty is not a reason why they cannot enter a legal marriage.

The success of this annual activity can be attributed to the cooperation of the various sectors in the community and through the efforts of the Municipal Civil Registrar.

A.Y. Coordinators visit Mina AYRH Clinic

The Adolescent and Youth (AY) Technical Working Groups/AY Coordinators from the Provinces of Aklan, Antique and Guimaras, and other LGUs in Iloilo visited A.Y.R.H.(Adolescent and Youth Reproductive Health) Clinic of Mina Health Center. They were accompanied by Elizabeth Bañez, R.N, and Family Planning Coordinator of the Province of Iloilo and Mr. Joseph Carlo Carillo-Regional AY Coordinator of DOH Region VI, Mina. They have chosen to Mina's AYRH clinic because it is the pilot community health center with A.Y. (Adolescent-Youth) Friendly facility focuses to pregnant teenagers or referred to as Teen Moms.

It is the goal of the Municipal Health Officer, Dr. Janeatte Sobrevega to expand the scope of services to be provided to the teenagers and as a one stop shop AY Clinic in which her office is working on its realization.

With millions of young people around the world, the onset of adolescence bring not only changes to their bodies but also new vulnerabilities to sexuality, marriage and childbearing. An increasing number of girls are forced into unwanted sex, putting them at risk of unwanted pregnancies, unsafe abortions,

Dr. Janeatte Sobrevega gives briefing to the visitors as to the services of AYRH clinic. After which she guides them around the clinic.

sexually transmitted infections (STIs) including HIV, and dangerous childbirth.

Adolescent boys are at risk, as well. Young people both boys and girls are disproportionately affected, yet too many young people face barriers to reproductive health information and care. Even those able to find accurate information about their health and rights may be unable to access the services needed to protect their health.

Hence, this AYRH program is given focused by the Local Government Unit of Mina to address these problems affecting the youths and adolescents.

The Balay Paglaum was also visited by the group and they inquired how the facility works to address the AY concerns both for pregnant and non-pregnant ones, how to transact with referrals to other facilities, and other related concerns.

MHO spearheads massive spraying for Dengue

The massive spraying for Dengue was held in May, 2016 in the surroundings of every barangay in Mina and in school premises done at the same time which can eliminate mosquito breeding places. The 3 o'clock habit (cleaning surrounding at 3 o'clock in the afternoon) and changing water from flower vases and containers are other practices done which can reduce the cases of Dengue Hemorrhagic Fever (DHF).

Dengue used to seasonal but nowadays it occurs whole year round. As part of the program to eliminate victims of DHF mosquitoes, Dr. Janeatte Sobrevega recommended to Mayor Rey Grabato to conduct a simultaneous massive spraying in all barangays after being alarmed by reported 16 cases of suspected and diagnosed with DHF in Mina since January to June 2016.

351 Senior citizens avail of free immunization

On June 8, 2016, a total of 351 senior citizens (186 of which are Indigent Senior Citizens) received the pneumococcal vaccine administered by the Mina Municipal Health Office personnel. Other senior citizens have already received the vaccine on Year 2014.

In line with the launching of the Department of Health (DOH) Expanded Pneumococcal Immunization Program for Senior Citizens this year, all senior citizens aged 60 and 65 years old can avail of free vaccination in all health centers. The vaccine comprised of two doses: senior citizens aged 60 years old will be given the first dose and will receive the second dose after a 5-year interval. On

and poor nutrition increase the risk of severe pneumococcal infection. DOH wants to make sure that these are distributed not only to the people who have enough resources to access life saving-medicines and services, but also to our indigent citizens nationwide This is the goal in attaining Universal Health Care of DOH.

In 2003, the World Health Organization (WHO statistics) estimated that more than 1.6 million people die from pneumococcal infections every year. It remains a major cause of death worldwide. Pneumonia along with acute lower respiratory tract infection was the second leading cause of morbidity among Filipinos

the other hand, senior citizens aged 65 years old will receive one dose only of the pneumococcal vaccine. However, there are still senior citizens who didn't submit themselves for vaccination due to misconception about pneumococcal vaccine and its effect.

Pneumococcal disease is a leading cause of serious illness throughout the world. Age related-impairment of the immune system compounded with decrease of physical activity

(DOH Statistics). Immunization with pneumococcal vaccine protects people from pneumococcal infections. The WHO recommends the use of pneumococcal vaccine for the elderly.

Persons can avoid complications, hospitalization, and even death if they choose to equip themselves with available vaccines and Minanhons are lucky to have these in their own health facility.

Mina celebrates Family Planning Day

Mina celebrates family planning day on April 16, 2016 for NHTS mothers of the 22 Barangays held at Mina Sports and Cultural Centre. In line with the celebration, a lecture was conducted to the mothers by the Family Planning Organization of the Philippines (FPOP)-Iloilo Chapter. Among the focus of discussions during the lecture was on the women's ability to space and limit their pregnancies which has direct impact on their health and well-being, as well as on the outcome of each pregnancy.

Mayor Rey Grabato quoted on his message during the celebration that there are women and some couples who desired to have children but were not able to have them; while there are also couples who desired to have fewer children or pregnancies that were spaced farther apart but had trouble accomplishing this goal.

Fortunately, there are many more family planning options in modern times. Family planning is important for the health of a mother and her children, as well as the family's economic situation. Truth nowadays, having children

more than five years or less than two years apart can cause both a mother and her child serious health problems. Having children involves financial concerns as to the medical costs of pregnancy and birth and higher finances in bringing up children. Parents are responsible for providing education, shelter, clothing and food for their children hence family planning has an important long-term impact to help ease the financial situation of a family.

Family planning involves using birth control methods to decide how many children one will have and when to have them. It allows couples to have their desired number of children, and control the spacing and timing of their births. People have used birth control methods, and today they can avail many safe and effective birth control methods from FPOP after they undergo short screening and interview. Contraception helps prevent unwanted pregnancies, space out births and protect against STDs, including HIV/AIDS. There are different contraceptive methods, each with unique advantages and disadvantages.

22 BNS take their oath

The 22 Barangay Nutrition Scholars (BNS), the official appointees from their respective barangay, take their oath before Mayor Rey P. Grabato in March 2016. The tasks of BNS include feeding programs and counselling and they must be residents of the barangay for 4 years and fluent in their local language. The BNS aspirants need to undergo training where they are taught the many ways to save children from malnutrition.

BNS are considered the front liners in providing the basic health and nutrition services in the community. According to the National Nutrition Council, they are the "key implementers" of the many grassroots project of the government in terms of nutrition. In compliance with PD 1569 "Strengthening the Barangay Nutrition Program by

providing a Barangay Nutrition Scholar in every barangay". Mayor Rey Grabato ordered 22 Punong Barangays in Mina to have their own BNS for the implementation of Nutrition Programs/Services.

On April 11-13, 2016, 22 BNS attended the Basic Training Course conducted by Provincial Health Office under the Nutrition program in the person of Noniza Lozada and Leni Disin both are Nutritionist Dietician II with Beejane Hacquias-Assistant Nutritionist Dietician. They are also required to attend seminars/fora related to nutrition and health. Being a BNS is a challenging job because the future of children is in their hands which unlike before that their work focused only for measuring of height and weighing of children.

All barangays in Mina declare as Z.O.D.

All the 22 barangays in the Municipality of Mina were declared "Zero-Open Defecation (ZOD)" by local ZOD verification team composed of Municipal Health Officer, Rural Sanitary Inspector and other representatives from LGU with the Provincial Health Office. The team visited the community and randomly checked selected households as to whether they met the ZOD criteria or not.

A barangay is declared ZOD if no one defecates in the open anymore and its either they build their toilets or share toilets with their relatives. They should also practice hand washing with soap and water after toilet use, and properly dispose diapers of infants and adults.

On April 26, 2016, a program was held to declare Mina as the 2nd Municipality in the entire Province of Iloilo as ZOD

municipality. The Provincial Health Office spearheaded the declaration of the 22 barangays represented by their Barangay Officials. It was indeed a momentous event witnessed by the Barangay Officials who were proud of their achievement.

The invited guests were Amir Ras, the UNICEF Representative and at the same time the National WASH Coordinator, PHO Sanitary Inspectors and Madam Lydia Grabato, Executive Assistant V representing Mina's Municipal Mayor, Hon. Rey Grabato.

In spite of achieving the goal for eradication of open defecation in Mina, it is still encouraged that barangay and LGU will enforce local ordinances in order to fully implement ZOD in all households.

41 successful donors for Bloodletting Activity

The Municipality of Mina through the Municipal Health Office in coordination with the Philippine Red Cross-Iloilo Chapter hold its first Bloodletting Activity for Year 2016 on April 8, 2016 with 41 successful donors.

Donating blood is one of the most significant contributions that a person can make towards the society, the reason why Mina's Municipal Mayor, Hon. Rey Grabato has been encouraging Minanhons to participate in this activity. It is not harmful for a person to donate blood because the body of the donor can regenerate the blood within few days. However, it is very important that while taking blood from a person, concerned authority must make sure that the

blood is not infected. Donors have to undergo interviews and series of tests.

A sick body needs blood for various reasons such as: dengue hemorrhagic fever, may be attacked with anemia, undergone an operation or may meet with an accident. Patient may die for want of blood as it is not always available even Mina have produced a number of blood still the need increases. Even a pregnant mother may need blood in case of emergency situation.

Blood can only be stored for a limited period of time, the reason why the blood banks like Philippine Red Cross - Iloilo Chapter needs a steady and constant collection in different municipalities under the Province of Iloilo.

Nowadays, there is already public awareness about the importance of blood donation. Our blood banks are running short of required blood. So we must come forward to donate blood in order to make sure the return of a dying man again into the light of life. The next bloodletting activity this year will be on the months of July and November.

Municipal Agriculturist Reports Accomplishment January - June 2016

THE FOLLOWING ARE THE REPORTS OF THE MUNICIPAL AGRICULTURE OFFICE HEADED BY ENGR. XYKSTER PELAEZ:

1. Farmers Association availed farm machineries from DA-RFO6

Mayor Rey P. Grabato, Municipal Mayor with the help of the Municipal Agriculturist and his staff & personnel identified Tumay Farmers Association as one of the beneficiaries of one unit of hand tractor with thresher from the DA-RFO6 thru the Office of Governor Arthur D. Defensor Sr. The Tumay Farmers Association is comprised of new set of officers and 43 farmer-members.

This is in line with the Farm Mechanization Program of the Department of Agriculture which aims to help our farmers in their farming venture, lessen labor cost, attain target period for farming activities and to avoid delays due to insufficient machineries and manpower.

The turning-over ceremony of the tractor was done by Mayor Rey P. Grabato on June 14, 2016 at Tumay Basketball Court, Mina, Iloilo with the presence of the Barangay Officials, Officers & members of Tumay Farmers Association and other non-member farmers.

While Five(5)-Sets of Pump & Engine were received by Barangay Tipolo, Guibuangan, Janipaan East, Talibong Grande and Capul-an Farmers Association.

Hopefully, this endeavor and program will lead to a successful farming endeavor of our food makers.

White Five (5) - Sets of Pump and Engine were received by Barangay Tipolo, Guibuangan, Janipaan, East, Talibong Grande and Capul-an Farmers Association

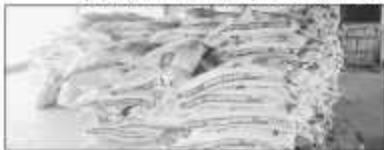

2. High Yield Technology Adoption (HYTA) Program in the Municipality of Mina

The "High Yield Technology Adoption" (HYTA) program was crafted and implemented since the Dry Season of CY 2014-2015 and was continuously implemented every year. The program's vision are to improve farm income, reduce production cost, attain higher yield increment by using locally adapted varieties, and stimulate employment in the rural communities through the use of this technology. This was led by the DA-National Rice Program & implemented by the DA-RFO6 thru the Local Government Units in coordination with the farmers associations which is being implemented in areas with good irrigation. The program includes:

1. Farm Input Assistance & Crop Insurance

- A farmer beneficiary (FB) is entitled to receive one(1) bag of hybrid seeds (15 to 18kg/ha).
- FBs who availed hybrid seeds shall receive 2 bags of fertilizer at 50 kg/bag (1 bag T-14 and 1 bag Urea) and will be based on the "Rice Crop Manager(RCM)", Additional fertilizer requirements shall be borne by the FBs as counterpart.
- The seeds and fertilizer was provided under a "grant-recovery-roll over" scheme.
- FBs under the HYTA program are entitled to crop insurance with P15,000.00 amount cover per hectare. FBs will be automatically enrolled to PCIC in order to protect farmers from production losses due to calamities.

2. Payments

- The program will follow the "Plant Now Pay Later" scheme among FBs. They shall pay in cash not later than 30 days after harvest the equivalent of seeds and fertilizers to the association. MPDO reports accomplishment from January - June, 2016

MPDO reports accomplishments from January 1 to June 30, 2016

The secret of joy in work is contained in one word – excellence. It was the main goal of the Planning Department, to attain excellence in every job that we performed. For the first two (2) quarters of the FY 2016, our department had performed many accomplishments, as follows:

MPDO conducted the Comprehensive Land Use Plan (CLUP) public hearing last March 29, 2016, for the revision of the existing Comprehensive Land Use Plan (CLUP) 2010-2020 to Comprehensive Land Use Plan (CLUP) 2016-2025 integrating Disaster Risk Reduction Management (DRRM) and Climate Change (CC) adaptation.

Moreover, our department carried out the Local Poverty Reduction Action Team (LPRAT) and Municipal Development Council (MDC) meetings updating the latest, on-going and upcoming projects of the municipality. Civil Society Organization (CSO) convergence was likewise conducted and was participated by all accredited and legitimate CSO's all over the municipality. It was held last April 14, 2016.

The preparation of the Annual Investment Plan (AIP) for the years 2016 and 2017, Annual Accomplishment Report for FY 2015, the Municipal Ecological Profile, and the Municipal Profile was also done by our department. For transparency, posting of documents in the Full Disclosure Policy Portal and Board was complied within the given period.

Similarly, our department had undertaken data gathering, compiling and binding of documents for the Seal of Good Local Governance (SGLG) evaluation for FY 2016 conducted by DILG, Regional Office 6, Iloilo City.

In compliance with the National Building Code, MPDO being designated as Local Building Official conducted an inspection to all the barangays in the municipality and 192 households were issued Notices of illegal construction to the concrete household owners for failure to secure building permits prior to the construction of their respective houses, of which 10% meet the terms and conditions of the said requirements.

Another function of the MPDO as designated Local Building Official is to issue building permits, certification for the business permit applicants and also to approve electrical installation permits. There were 101 building certifications issued, 111 application for electrical installations and nine (9) building permits were approved.

In addition to the above mentioned tasks, our department is also responsible for layouting of streamers intended for different events, sketch plans both of barangays (day care centers) and BUB projects (13 barangays) of the municipality.

Our office was also part of the Joint Inspection Team (JIT) that conducted Business and Agro-Industrial establishments inspection in the municipality together with the representatives from Business Permit and Licensing Office and Municipal Treasurer's Office.

To further enhance the knowledge and skills of the MPDO personnel, we attended trainings and seminars required, as follows:

1. Training Workshop on Detailed Engineering Design Preparation and Procurement held last May 31-June 3, 2016 at Madison Hotel, Iloilo City.
2. Program Orientation Feasibility Study/Project Proposal and MW4SP Orientation held last May 24 – 26, 2016 at Iloilo Grand Hotel, Iloilo City

3. Orientation and Writeshop on the Development of CUIP held last June 8-9, 2016 at Eon Centennial Hotel, Iloilo City;
4. LGU's Orientation and Compliance to the 2016 Cities and Municipalities Competitiveness Index (CMCI) held last February 3, 2016 at the Casa Real, Old Capitol, Iloilo City
5. Kick-off Meeting at the Provincial Population Office, Provincial Capitol, Iloilo City, last June 14, 2016.

Doing what is the best is the way towards the dreamed excellence and no fruit of hard work that will never be rewarded.

MSWDO reports programs, projects and activities for first semester, 2016

1. The Municipality of Mina is one of the recipients of wheelchairs and other assistive devices through the generosity of the Church of the Latter Day Saints in coordination with Provincial Social Welfare and Development Office. Governor Arthur Defensor Sr. headed the Ceremonial Distribution at the Provincial Capitol last January 27, 2016.

2. Assessment and Distribution of Wheelchairs and Other Assistive Devices from the Provincial Government in partnership with the Church of the Latter Day Saints. PWDs and Senior Citizens identified as indigents of the community are given free. The ceremonial distribution was headed by Hon. Rey P. Grabato during the Monday flag raising ceremony last February 8, 2016.

3. Drug Clearing Operation and Covenant Signing. The Municipality of Mina had launched an intensified campaign against illegal drugs. The campaign is strongly advocated and personally headed by Mayor Rey P. Grabato together with P/Si Roy Castro Sr. in cooperation with the Municipal Social Welfare and Development Office. A covenant signing was made declaring their commitment towards a drug free community after a lengthy awareness talk about RA 9165 and the perils of illegal drugs subsequent to individual counseling sessions conducted by Registered Social Workers of the Municipal Social Welfare and Development Office.

4. Seminar/Workshop for VAWC Desk Officers of the 22 barangays of Mina. The VAWC desk officers of the 22 barangays were gathered for a seminar workshop on related laws and the VAWC Desk Manual. The Seminar is aimed at promoting an active VAWC Desk in every barangay of the municipality.

5. Seminar/Write shop of the Day Care Workers on the New Curriculum, Puppet, Puppetry and Story Book Making. The Day Care Workers of the Municipality are trained on the new curriculum for the incoming school year. Visual aids, puppet, puppetry and story book making are major areas of concern. This is emphasizing to ensure a stimulating school environment for the pupils.

9. Conditional cash transfer to 4Ps beneficiaries distribution.
10. Release of housing materials by National Housing Authority to identified 400 indigent beneficiaries in coordination with LGU, Mina.

11. Skills training of RRCY personnel's to Balay Paglaum wards. Three houseparents, one Social Welfare Assistant and Center Head were given the opportunity to have an immersion at Regional Rehabilitation Center for the Youth (RRCY-Guimaras). This enables them to learn and observe the functioning of a rehabilitation center. Innovative practices worth replicating were noted for their applicability to Balay Paglaum. (January 19-20, 2016 First Batch-January 20-22, 2016 Second Batch).
