RESOLUTION NO. 2019 - 076

RESOLUTION REQUESTING FINANCIAL ASSISTANCE FROM THE OFFICE OF THE HONORABLE SENATOR PANFILO M. LACSON, HOUSE OF THE SENATE, MANILA THRU NEDA REGION VI, ILOILO CITY IN THE AMOUNT OF FIVE HUNDRED MILLION PESOS (P 500,000,000.00) FOR THE CONSTRUCTION OF 5 KILOMETERS FLOOD CONTROL PROJECT ALONG THE SUAGUE RIVER BANK (BOTH SIDES) IN THE MUNICIPALITY OF MINA

WHEREAS, the LGU of Mina, Province of Iloilo, is prone to flash floods as it is centrally traversed by the suague river thereby putting everyone in the municipality in critical situation, just like what had happened when typhoons Frank and Yolanda stricken the whole island of Panay in June, 2008;

WHEREAS, the Municipality had been experiencing flash floods, two of which are the major destructions (Frank and Yolanda) which enabled us to submerge under water several times due to very silted waterways;

WHEREAS, river banks are consistently eroding every time floods occur, thus transferring its course from one place to another which elongates its length from approximately 5 to 11 kilometers;

WHEREAS, the most crucial part of the project is at the upper stream of the river where there is a need to rehabilitate the irrigation dam for our vast irrigated rice land;

WHEREAS, in view of the above, there is a necessity for a water ways to be dredged and the river course to be corrected and shortened, and to construct river control project which is to be implemented phase by phase so as to make the river course and the flow of waters permanent; and most importantly, to protect the people of Mina, its economy and all existing infra projects from the hazards of flooding and erosions.

WHEREAS, during the Economic Forum: Convergence for Local Economic Development sponsored by the NEDA in partnership with Senator Panfilo Lacson held at Marzon Hotel, Kalibo, Aklan on August 2, 2019, the construction of 5 kilometers more or less (both sides) river control project along the Suague river banks in Mina was included in the priorities identified during the workshop.

NOW, THEREFORE:
